Deputy Comptroller

Weekly Activity Report

25X1A9a *Dec*

The Deputy Comptroller met with Mr. [REDACTED] Office of Personnel, in order to arrange with that office for the reactivation of the reserve pool of accountants for proprietary projects. Mr. [REDACTED] 25X1A9a was advised of the arrangements which had been made in the past with respect to the recruiting of these accountants, including the qualifications required and the special arrangement for clearance with the Security Office. It was agreed that Mr. [REDACTED] 25X1A9a would further discuss the problem with other persons in the Office of Personnel and would subsequently contact the Deputy Comptroller and advise of the progress that he was able to make in the commencement of the recruitment for this project.
